

The vision of Bharat Ratna Dr. D.K. Karve to build a citadel of learning for women is encapsulated in the motto of the university-'Sanskrita Stree Parashakti' (an enlightened women is a source of infinite strength). For over nine decades, the university has been striving for and growing to newer heights of performance and outreach.

Prof. Vishanu Magare

Pro-Vice Chancellor

Dr. Deepak Deshapande

Registrar

SNDT WOMEN'S UNIVERSITY, MUMBAI

NATIONAL WEBINAR ON REFLECTIONS ON NATIONAL EDUCATION POLICY 2020

September 8 - 11, 2020

ABOUT US

SNDT Women's University is the first Women's university in India as well as in South-East Asia. The University was founded by Maharshi Dr. Dhondo Keshav Karve in 1916 for a noble cause of Women's Education. The first five women graduated in 1921 from this University. The University Headquarters is in Churchgate Campus, Mumbai and the other two campuses of this University are at Juhu, Mumbai and Karve Road, Pune.

In a century old existence, the university has grown into a multidisciplinary institution hosting diverse professional, technical and liberal arts programmes from K12 to PhD. SNDTWU is probably one such university where there is Nursery school as laboratory for Human Development Department, Centres for Women's Studies, Inclusion and Exclusion, Distance Education, and has affiliated institutions for doctoral programmes. Unlike most university's in the country which have to have state jurisdiction, SNDTWU is unique in terms of jurisdiction. SNDTWU can affiliate colleges/institutions anywhere in India with prior consent from the State Government.

SNDT Women's University is committed to the cause of women's empowerment through access to education, particularly higher education, through relevant courses in the formal and non-formal streams. The university is committed to meet the changing socio-economic needs, with human values and purposeful social responsibility and to achieve excellence with "Quality in Every Activity" through vocational and professional courses for women. The motto of the university is "An enlightened woman is a source of infinite strength". There are six institutions recognized by SNDTWU for Ph. D. Research. SNDTWU is a home to 1100 teaching and non-teaching staff members and 50,000 students spread across seven states and a union territory. SNDT Women's University stands 32nd amongst multi-disciplinary universities of India and ranked fourth in Western India according to the Week-Hansa Research ranking of 2020.

OBJECTIVES OF THE WEBINAR

- To discuss the vision of NEP-2020
- To create awareness about structural reforms in education system
- To discuss and analyze curricular, pedagogical reforms suggested in the policy
- To discuss the role of learners, teachers and society in policy implementation
- To develop understanding among participants about the access, equity, quality and inclusion as the underlying principles of the policy
- To discuss the policy provisions pertaining to multidisciplinary education, teacher education, vocational education and technology in education
- To understand the role of NRF as a catalyst for research process

ABOUT NATIONAL WEBINAR

Education is the penultimate instrument that can bring progressive changes in the society. To improvise the system attempts have been made to make situational changes to ensure fitness of the system through effective contribution. Looking into the volume of recommendations here before, The National Education Policy 2020 is going to bring major paradigm shift with a prima-face hope of revolutionizing the education. It is imperative to create comprehensive understanding and awareness about the NEP-20 amongst all segments of the society. It is mentioned in the policy that Education is fundamental for achieving full human potential, developing an equitable and just society, and promoting national development. Universal high-quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of the individual, the society, the country, and the world. India has highest population of young people in the world over the next decade, and the comprehensive attempt to provide high-quality educational opportunities to all citizens will ensure the progressive and prosperous future of our country.
