It has been observed that only 50% of the student's population attends the Medical Camp. We would like to inform you that this camp has proved beneficial for many students. 65% students have been anaemia, 1% students are detected Thalassemia, 30% students are having dental problems, 25% students are having eye problems, 40% students are having menstruation problems. Hence it is mandatory for all the students to attend this Medical Check-Up Camp. Health Care follow-up if required, for the students will also be looked into.

Looking forward to received the above details and your kind help and co-operation towards conducting the Medical Check-Up Camp Successfully.

Thanking you,

Yours faithfully,

Dr. Nitin Prabhutendolkar
