The Event Details & Invitation from YGPT, Karjat

One of our key events is the celebration of International Youth Day and we are pleased to extend a heartfelt invitation to the SNTD University students (Mumbai & Pune) for an enriching and rejuvenating one-day event at Shanti Kshetra Premgiri Ashram (Peace Service Centre). After a very successful rollout of this event last year with more than 150 youth participating, this is the second consecutive year that we are having this event and have youth joining us from various parts of India. SNTD University, Mumbai students had been a part of these celebrations last year and had a fulfilling experience.

The highlight of the event is an impactful and insightful session with Maitreya Dadashreeji, the Founder Visionary of YGPT, a pioneer in transformation and youth leadership. It is a live interactive session offering a rare opportunity for the youth to ask questions about various issues and gain useful insights and guidance for their personal growth.
