Subject: An earnest appeal to confirm Student Participation at "4th Indian Student Parliament (Bharatiya Chhatra Sansad) - an annual 3 - days National Conclave (non-political), with participation of over 12,000 chosen Student Leaders from all states of India to strengthen the Democratic Leadership.

Dear Prof. Nilofer Ahmed,

You are probably aware of the unique and nationally significant 3-days annual conclave of **Bharatiya Chhatra Sansad** (Indian Student Parliament), which is a non-political platform and does not engage in any mainstream party politics. Since its inception in 2011; the platform has been attracting participation from the intellectual giants, political leaders, youth icons and engaging thinkers of myriad fields. Its fourth annual edition will be held from **January 10 to 12, 2014** which is all set to be another intellectually invigorating and a nationally significant discourse.

It may be appropriate to bring it to your knowledge that the platform was conceived and founded by visionary young educationist **Shri. Rahul V. Karad**, and instantly received active support from **Union Ministry of Youth Affairs & Sports**, Government of India and Maharashtra, **Ministry of Higher & Technical Education, Maharashtra** and **UNESCO Chair of Human Rights, Democracy, Peace & Tolerance**, Pune. You will be pleased to note that the **United Nations, Commonwealth**, the **SAARC** and the **Inter Parliamentary Union**, Geneva have also participated and extended their support in this endeavor.

The conclave is participated by thousands of young, enthusiastic, socially/politically active students from all states of India. They represent respective Student Councils of the colleges affiliated to different universities across the country. During three days of intense academic exercise of the conclave, student leaders engage in dialogue and deliberations on wide range of significant issues, which quite effectively transform their outlook and reaffirm their respect for democracy and its institutions. We raise their intellect and national consciousness, their extent of involvement, access and say in political and democratic processes.

Success of this annual national conclave would not have been possible without the collective actions and proactive support from you and the Heads/Principals of colleges and I tender my deep gratitude to all of you for reposing trust in our altruistic efforts.

Like previous three years, it is highly coveted by the **Ministry of Sports & Youth Affairs, Government of India, Ministry of Sports and Youth Welfare, Maharashtra, Ministry of Higher & Technical Education, Maharashtra, Association of Indian Universities (AIU)** and us, that you support and promote the event in all possible ways as your role would be most important in informing and linking the students to the conclave.

Dear Vice Chancellor / Director,

Sub: Participation at the 4th Indian Students Parliament (Bharatiya Chhatra Sansad from January 10 to 12, 2014 at MAEER's MIT Pune – Reg.

Many of you are probably aware of this unique and nationally significant 3-day annual conclave of **Bharatiya Chhatra Sansad** (Indian Student Parliament), which with your support and cooperation has now become a much awaited annual academic adventure. Its fourth annual edition will be held from **January 10 to 12, 2014 at MAEER's MIT Campus, Pune**. Like previous years, a number of eminent speakers will participate in its 4th edition and is also set to be another intellectually invigorating and nationally significant discourse.

About 12,000 'chosen' socially / politically active student leaders from all universities of the country will participate at three days of intense academic sessions to discuss and deliberate on a wide range of significant issues. They will be provided with the context, analysis, courage, insight and perspective to dream bigger, see clearer and speak louder. The deliberations and dialogue of the conclave can very effectively raise their consciousness and intellect, so that the youth have an opinion, a point of view and most importantly, a sobering thought about – what they will do to make a difference in the nation's life.

Considering the nobleness of this cause and effectiveness of the discourse, we must support this activity. The role of Heads / Principals of affiliate institutions will be vital in informing and linking the students with this important platform. The principals of all colleges falling under your university may kindly be suggested to nominate 5 socially / politically active students from their respective colleges to participate at the upcoming conclave. The hyperlink of Bharatiya Chhatra Sansad (www.bharatiyachhatrasansad.org) may kindly be provided to the University website and on the websites of all affiliate colleges.

For further information or clarification the organizers of Indian Student Parliament can be directly contacted on **9881234543**, **9850667995** and **8888815421/22** or on email info@bharatiyachhatrasansad.org or sgoffice@aiuweb.org. The website can also be referred for detailed information.

A prompt response shall be highly appreciated.
